

Ed-Venture

Full Day Child Care & More!
Flexible days and times

Grades K-6

June 13-Sept. 1

Fee: \$36 per day

6:30 am-6:00 pm

What is Ed-Venture Care?

Ed-Venture Day Care is a great opportunity for your child to spend a wonderful summer learning and having fun in an outdoor park setting. Qualified, caring teachers and recreation leaders will provide day-long programs and activities while maintaining a low staff-to-child ratio. Your child can choose from special activity classes, Tuesday/Thursday swimming, sport lessons, camps, computer time and special trips. You may register your child for 1-5 days per week. Program also has flexible days and ½ days available for \$20 per day.

Call 651-638-2130 for an information packet and registration form. The New Brighton Parks and Recreation Department would like to offer your child a full day of continuous care, enrichment and recreation programs held at the Freedom Park Neighborhood Center (14th St and Silver Lake RD). Register your child for the grade they will be in the fall of 2016. Half-day rates are available Monday-Thursday (am or pm) for families attending summer school or needing more flexibility. Sign up for only the days you need!

Eagles Nest Indoor Playground

We will visit the Eagles Nest during the summer to play. Mini trips are also planned to the Ramsey County Library, New Brighton Branch, local parks and playgrounds.

Computer Learning & Entertainment

Kids will have the opportunity to use a variety of fun, educational programs on the computers throughout the summer and enjoy several "kid day" movies at the Mounds View theater.

Swimming

We will swim Tuesday and Thursday afternoons at Highview Middle School. During August, we will visit the St. Anthony wading/play pool.

Educational/Adventure Trips

We will take weekly trips to a variety of "fun" educational, recreational, cultural and historic destinations throughout the metro area. Most trips are on Friday. There is no additional fee for Friday trips.

Weekly Theme & Parent Newsletter

Each week we will follow a new and exciting theme throughout the summer. Activities, games, craft projects and special events relate to each theme. Each week parents receive an emailed newsletter with photo's recapping the week's activities and takes a glance at the week to come.

Swim and Sport Lessons

New Brighton Parks and Recreation will offer a variety of summer classes such as swimming instruction, tennis lessons, basketball camps and karate for an additional fee.

Outdoors at our fingertips

Freedom Park has a full size adult softball field, biking trails, level one climbing wall, playground equipment, tennis courts and a basketball court. It is filled with mature shade trees and a picnic site.

Craft, Cooking & Science Classes

Each year our staff put together a variety of fun activities for kids. Participants will enjoy creative art classes, puppetry, creative dramatics, fitness, gardening, cooking, science projects and much more!
